aylmer & area | CHAMBER OF COMMERCE

Dear Valued Business Member,

Thank you for taking the time to learn more about the benefits of joining the Aylmer & Area Chamber of Commerce. We are a network of businesses in the Aylmer area with a common goal of prospering and making the business community a better place to call yours.

Since the beginning of the Chamber in 2001, the membership has grown to over 120 local businesses and membership continues to climb. When asked what the Chamber can do for you? I simply say, the Chamber will give you everything you put into it. The Chamber is a forum for networking, political policy change, a unified voice and a promotional tool to attract people to the area. Organizing monthly events, giving you opportunities to meet and promote your business like no other. It has been shown that it will take six times for a person to connect your name, face and business. With the Chamber, we can make that happen for you. People are more likely to do business with you if they know you. Whether you are wanting to become known in the business community, need a link to your website to increase traffic, or want to have a political voice for change, the Aylmer & Area Chamber of Commerce can accomplish that. Another benefit to your business is the Chamber Group Insurance plan which is available to small businesses.

Social media plays a huge role in advertising today. The Chamber has an active facebook page as well as Twitter where members events, sales, and news are all promoted to our friends. We are often seen as the place to go to for answers or more information about businesses in the area. Our website is an excellent promotional tool as well where each member has their own page to include information about you, contact info, map and a photograph. Finally, we actively send out e-newsletters to our membership about events, information to assist your business, member to member details and more.

Whatever it is you are looking for to increase traffic in your store, your website, become more community involved, have a political voice in the area or you just want to get out and meet new people, join the Chamber! Take some time to look over this package, browse the website and feel free to contact myself or a board member if you have any questions or would like to speak to someone. The Aylmer & Area Chamber of Commerce is all about coming together, sharing together, working together and succeeding together-Join us!

Sincerely,

Nicole Pressey
Executive Director
